Need a receipt

Need Membership Card

We need docents (dös'nts) to guide people through the Museum. There are many items not recognized by our guests. Very little training required and many of the items still need labeling.

**Comments and Suggestions:**

The photo collection and genealogy departments get a lot of inquiries, and we would like to have more Families represented. Please remember the museum when you go through old photographs after the passing Of a loved one or are down-sizing your home storage.
